Title: Mechanic

Reports To: Track Operations Manager

Experience Required: 2+ years mechanical experience

Short Description: Mechanic

Required Skills: Mechanics, Leadership, Communication, Organization, Dedication, and Follow-through

Are you a talented Mechanic who is ready to become an integral part of our team? We are a start-up company and this opportunity will need your full involvement as we prepare our company for growth.

The Mechanic Lead is responsible maintaining our rental karting fleet to ensure optimal performance. This key team member is a role model, leader, problem solver, an informed decision maker, and able to assist in the management of this critical department in order to maintain Unser Karting's high standards.

Job Summary

As a leader of Mechanic Team, you are an essential part of the team, which is directly responsible for the repair and ongoing maintenance of our karts. You will also help hire and train the rest of the Mechanic team.

However, your first duty will be to help us build and open the operation (this means getting down and dirty). We will need to ensure all karts are safe and ready to hit the track. When we say start up we mean start up. If you think you are up for the challenge apply today!
